## **Report of One to One registration Drive**

A comprehensive One-to-One Registration Drive was organized at Government Degree College, Dharmari by the ONOS team with the objective of facilitating seamless registration of students on the ONOS Portal. The program was conducted under the overall supervision and guidance of the Worthy Principal, Dr. Rajesh Kant. The initiative aimed at ensuring that every eligible student was registered accurately through personalized assistance.

Main Objectives of the Programme is:

- To ensure 100% registration of eligible students on the ONOS Portal
- To provide individual assistance and eliminate errors in registration
- To enhance awareness regarding the ONOS Portal and its benefits
- To resolve technical and procedural issues on the spot
- To promote digital literacy among students

The program was meticulously planned and executed by the ONOS team within the college campus. All necessary arrangements were put in place for the smooth conduct of the registration process.

The entire drive was conducted under the able supervision of the Worthy Principal, Dr. Rajesh Kant, whose constant guidance ensured discipline and efficiency throughout the program.

The One-to-One registration process was effectively facilitated by the Nodal Officer, Dr. Saleem Ahmed. He played a pivotal role in:

- Guiding students step-by-step through the registration process
- Ensuring accuracy of the data entered
- Assisting in OTP verification and final submission process
- Addressing individual queries and resolving technical issues promptly

Each student was attended individually to ensure proper understanding and successful registration.

The registration drive witnessed enthusiastic participation from students. A significant number of students attended the program and were successfully registered on the ONOS Portal. The one-to-one assistance model proved highly effective in addressing individual concerns and ensuring complete participation.

Despite the overall success, a few minor challenges were encountered:

- Occasional network connectivity issues
- Delay in receiving OTPs for verification
- Minor discrepancies in student data

However, these issues were efficiently managed by the organizing team without affecting the overall progress of the program.

The Worthy Principal, Dr. Rajesh Kant, appreciated the sincere efforts of the ONOS team and the Nodal Officer for conducting the program in an organized and efficient manner. He emphasized the importance of digital initiatives in modern education and encouraged students to actively engage with such platforms.

He further remarked that such one-to-one registration drives are highly beneficial in ensuring inclusivity and accuracy, especially for students who may face difficulties in online processes. He commended the dedication of Dr. Saleem Ahmed & Dr. Safer Ahmad Bhat for his hands-on approach and appreciated the active participation of the students.

The program concluded with a formal vote of thanks delivered by Dr. Safer Ahmad Bhat Program Officer. He expressed his heartfelt gratitude to the Worthy Principal for his guidance and support, to the ONOS team for their dedicated efforts, to the Nodal Officer for his valuable contribution, and to all the students for their enthusiastic participation in making the program a success.

The One-to-One Registration Drive at GDC Dharmari was conducted successfully and achieved its intended objectives. The initiative not only ensured maximum registration but also strengthened digital engagement among students. The collective efforts of the administration, ONOS team, and participants made the program highly productive and commendable.

The programme witnessed active participation from faculty members including Dr. Shabeer Ahmad Taing, Prof. Ajay Kumar, Prof. Mohinder Singh, Dr. Aejaz Ahmad, Dr. Sabzar Ahmad, Dr. Zahoor Ahmad and Prof. Parveen Singh along with a large number of students.
