AUCTION NOTICE

Auction of Grass, Wood, Branches and Other Usable Material from College Premises

Sealed bids/quotations are hereby invited from interested persons for the auction of grass, wood, branches and other usable material available/obtained from the college premises.

The successful bidder shall be entitled to collect the auctioned material subject to the following terms and conditions:

Terms and Conditions

1. The auction shall be for the grass, wood, branches and other usable material available in the college premises.
2. The successful bidder shall, at his/her own cost, first cut and clear the entire college premises, including grass, bushes, unwanted vegetation, branches and small trees, as directed by the college administration.
3. The bidder shall not be permitted to remove or take away any auctioned material until the entire designated area of the college premises has been properly cut and cleared.
4. The cutting, clearing and cleaning of the entire premises shall be treated as part of the auction conditions and shall be carried out by the successful bidder without any additional claim from the college.
5. The reasonable/estimated value or cost of the cutting, clearing and cleaning work shall be assessed by the college administration and adjusted against the total auction amount offered by the successful bidder.
6. After such adjustment, the remaining balance amount of the auction bid shall be deposited with the college before removal of the auctioned material.
7. The bidder shall remove the auctioned grass, wood, branches and other permitted usable material only after obtaining permission from the college administration and after depositing the applicable balance auction amount.
8. No standing tree or any other item shall be cut or removed unless specifically permitted by the college administration.
9. The bidder shall arrange all required labour, tools, machinery, transportation and other resources at his/her own cost.
10. The entire premises shall be left clean and free from cut grass, bushes, branches and other waste after completion of the work.
11. Any damage caused to the college property during the cutting, clearing or removal of material shall be the responsibility of the successful bidder.
